The rule also waives points of order against provisions in the bill which do not comply with clause 2 of rule XXI (prohibiting unauthorized appropriations and legislation on general appropriations bills), and clause 6 of rule XXI (prohibiting transfers of unobligated balances).

The rule accords priority in recognition to Members who have pre-printed their amendments in the Congressional Record. The chairman of the Committee of the Whole may postpone recorded votes on any amendment and the chairman may reduce the voting time on postponed questions to 5 minutes, provided that the vote takes place immediately following another recorded vote and that the voting time on the first in a series of questions be not less than 15 minutes.

The rule further provides that if a motion to rise and report the bill to the House with such amendments as may have been adopted is offered by the Majority Leader or a designee, after the reading of the final lines of the bill, it shall be precedence over a motion to amend. Finally, the rule provides one motion to recommit, with or without instructions. Testimony was heard from Representatives Vucanovich and Hefner.
